

Greetings to everyone,

The BDBA again lost money on the AMF Towson event. Therefore we are going to cancel the next stop which would have been at AMF Westview. We are going to get together and re-evaluate the Series entirely. There have been some suggested changes offered and we will be taking those and any other suggestion you all may have into consideration. Please take the time to send them to me so that they will be considered at our meeting.

It is our hope to restart the series where we left off in December if that's possible. In the mean time I would ask that you be patient while we re-evaluate what we are going to do. As I stated in a previous e-mail the money that has been collected for the finals will be returned to everyone who has paid into that fund up to this point if we should discontinue the series totally. You will receive a check that will be in the amount of \$4 for each time you entered the tournament since that's how much we have collected from you up to this point that was earmarked for the finals prize fund.

I would like to take this opportunity to thank each of you who has come to as many stops as you could. There are some who have not missed a one and hope we can start it back up with a new format that will not only bring you back out but hopefully appeal to others so that it becomes a successful tournament series.

Thanks

Stan
